

Dear Sponsor,

This year, our club is celebrating **33 successful seasons of skating!** The Northwoods Figure Skating Club, coaches and skaters are preparing for the annual show “*Going for the Gold*” scheduled for March 5 & 6, 2022 at the Rice Lake Hockey Arena, and we are looking for sponsors to help assist in the cost of the production.

We have taken careful time to consider what more we can do for our sponsors. We want to share with you that not only will your company get satisfaction from supporting our club and skaters, but through our tiered sponsor plans your company will also receive valuable sponsorship promotion! In addition to the outlined benefits at each sponsorship level, Northwoods Figure Skating Club is a registered nonprofit 501(c)3 organization and **your sponsorship at any level is 100% tax deductible!**

With the ever-changing COVID restrictions the past year, our club has continued to thrive and has been able to offer lessons for all levels of skaters. We take great pride in our ability to serve figure skaters ages 4 through 18 from local communities, including Barron, Cameron, Chetek, Cumberland, Rice Lake and Spooner. The annual show allows our skaters the opportunity to share their talents with the community, and they are very excited to be able to perform this year. Through your generous community support, our skaters receive high quality coaching and multi-level skate programming backed by US Figure Skating. All skaters benefit from positive relationships, athletic achievement and goal setting skills that will help foster success on and off the ice.

Community support & sponsors like you are critical to the success of our club. Thank you for your consideration to sponsor Northwoods Figure Skating Club’s 2022 “*Going for the Gold*” show.

Warm Regards,

Sarah Fox
