Treasurers Report: Jenna reports- not a lot to report. Sarah makes motion to approve minutes, Trish 2nds motion. Motion approved.

Sports Engine: Jenna explored alternatives to Sports Engine. All other platforms had fees as well and she has not found anything as a better option. Trish also researched alternatives- no monthly fee with Sports Engine. Tech support is great with Sports Engine. Refund process is more challenging/costly to the club. Proposed issuing refunds via check for small amounts to avoid extra fees. Jenna and Trish will work together to issue refunds.

Fundraising: Kim shared her previous contact information for Heggies. Sabrina working through that contact route to coordinate pizza sale fundraiser. Louie's Brat Stand: Friday we are good, Saturday we need more volunteers. Jen Murdza open to help close 3:30 to 5:30... looking for a couple more. Jenna will coordinate change with Hilary for the Brat Stand. Other fundraising ideas/brainstorming.

Summer Session: Registrations are going well. Hilary needs somebody to coordinate at the rink the first night of summer session. She will include that night and other nights in club email. Ashley might not be available for the first night either, but she will try to figure it out. Deadline for registration is Saturday before session starts. No skaters have contacted Ashley regarding testing for this upcoming summer session.

Fall Promotion: Talked about with fundraising item.

Skating Directors Report: 6 coaches for summer. Kayla Thompson is not going to coach with us this year, but will fill in when needed. 6 skaters went to camp in Hudson. Positive reviews from parents/skaters. Otherwise, quiet season.

Next Meeting Date: Meeting in Rice Lake Rink- August 8, 2022 at 6:30.
