

November 1, 2022

Dear Skating Family,

Please carefully read the information below regarding the 2023 show sponsorships.

All show skaters are required to get a minimum of \$150 in sponsorships and \$200 per family with multiple skaters. Skater families will be responsible for the full sponsorship amount if minimum sponsorship requirement is not turned in by Jan 15th, 2023.

Sponsorships are critical to the sustainability of our annual skate show. We need as many sponsorships as we can to produce our show. We encourage you to reach out to as many potential business sponsors as you can. Along with businesses, skaters may ask friends and family to sponsor them. Friends and Family sponsors will not receive an ad in the program. The annual cost of the show is around \$10,000 and we need all hands-on deck approach to soliciting sponsorships to continue to put it on. You can view a list of our 2022 sponsors at www.northwoodsfsfc.com and click the "Our Sponsors" tab.

In the following pages you will find the documents you need to secure a sponsorship for your skater. You are responsible for making sure your sponsor ad is submitted to NFSCProgramAds@gmail.com before Jan 15, 2023. **We will only be accepting Cash or Check for sponsorships this year.** There is no online payment option.

Please make sure when you turn in your skaters sponsorship that you turn it in with the sponsorship receipt form, with all information filled out, and in a sealed envelope. Sponsorships must be turned in separately from all other NFSC show fees. A donation slip must be filled out for EACH separate sponsor. Money turned in must match sponsor receipts exactly.

IMPORTANT: DO NOT TURN YOUR SPONSORSHIP MONEY IN TO THE RINK COORDINATOR, BOARD MEMBERS OR ANYBODY ELSE. The ONLY way to turn in your sponsorships is to our club treasurer, Jenna, or mailed to: Northwoods Figure Skating Club, PO Box 754, Cumberland, WI 54829.

Thank you!

NFSC Show Committee
